

## DATASHEET

**RANGE: SHD PRO**

**TYPE NAME: CB140.3 SHD**

### PERFORMANCES\*:

**Voltage:** 12V

**Capacity:** 140Ah (20h)

**C. Cranking (EN):** 900 A

**Vibration (EN):** V2

**Duration (EN):** E1

**Self-discharge:** 12 months

(from the date of production, at 25 degrees)

\*According to standard EN 50342

### INTERNAL CONSTRUCTION:

**Technology:** Punched, with regular surface

**Alloy:** Calcium

**Separator:** PE envelope

**Total weight:** 35,87kg

**Acid:** inside the battery

**Origin:** Europe

### CONFIGURATION:

**Size:** 513 x 189 x 220 mm (A)

**Polarity:** 3

**Terminal:** 1 (taper)

**Holddown:** B0

**Ventilation:** central

**Maintenance:** not required (SMF)

### COMPONENTS:

**Box:** PP/black

**Lid:** Flat, PP/black

**Plugs:** Screw, PP/black

**Handles:** on container, rope/black

## RECOMMENDATIONS:

### STORAGE

Check voltage every 6 months.  
Avoid exposure to sub-zero temperatures

Use automatic chargers with constant voltage

### RECHARGE
